AN OPEN LETTER TO THE STUDENTS OF COMMUNITY COLLEGE

Dear Students:

In our third issue, we of the Vanguard Staff tried to show how much we are in need of an active student government. It is **IMPORTANT** to all students.

So far we have not had the kind of student government that could constructively work for student needs. This was due in part to the faculty strike in 1972 and a lack of student interest and organization.

This election is extremely important. This College is one of the few institutions where students have an opportunity to actively take part in the governance structure.

There are a good number of students that are interested in running for the seats on the various committees and it is important to show your support by voting.

If you want to have a say about that unfair teacher, course change, or any other problem, it is up to you to take action.

We all have something to say when we feel that we are being ripped off, but very few are willing to do anything about it.

Here are people who are willing to fight for you. They are students like yourselves. Care about yourself??????????

GET OUT AND VOTE!

Sincerely, EDITORS OF THE STUDENT VANGUARD
